

Tauzin Consultants June 2012 Workload Report prepared for the St. Charles Parish Council:

- June 7 call with Holly Fonseca to discuss mitigation options for the Ellington Phase III.

- Billy toured Lafourche, Terrebonne, and St. Charles Parishes with Congressmen Bill Cassidy and Steve Scalise to introduce them to residents who live in their newly drawn districts.

- June 21 call with Holly Fonseca to discuss wetland mitigation options for the Ellington Phase III as well as the negotiations around the MAP-21, New Federal Transportation bill, with a particular focus on the RESTORE the Gulf Coast Act.

- We worked with our contacts in the House of Representatives and the Senate to give St. Charles Parish updates on the status of the RESTORE Act and the chances of it making into the final MAP 21 bill, which it ultimately did.
